under very favorable circumstances. Vast improvements have been made to the plant, including a new water system, heat and power plant, at an expenditure of about \$30,000. Dormitories have been overhauled and prepared and other minor improvements have been made to the buildings and grounds. The creation by the board of visitors of a new department, known as the normal academy, is believed to have been a long step toward perfecting the course at this institution. About the average number of students was present this morning, and the day has been consumed in matriculating and arranging courses.
